Volunteer and Fundraising Commitment

Parents are responsible to participate in 10 hours of volunteer work during the school year. There is a \$25 charge per each uncompleted volunteer hour.

Parents are responsible for a fundraising commitment of \$400 per family per year. The obligation can be met by obtaining sponsorships for major fundraisers, selling in Spring Benefit tickets or a combination of these options. The amount of unmet fundraising commitment will be billed to the family on the first statement following the Spring Benefit.

Our Billing Procedure

WMS operates on an annual tuition; however, it is divided into ten payments for your convenience. These payments are invoiced to parents via email on the 3rd of each month during August through May (ten months). Payment is due by the 10th of that same month. A \$35 late fee will be charged to payments received after the 10th of the month

A Building Fee of \$250 per year, per child is needed to maintain the security system, fire alarm system, grounds maintenance, and playground mulch. The fee is waived for the third or more child(ren) enrolled at the same time. This fee can be divided into 10 payments of \$25 to be billed with tuition; or, it can be paid in full with the Supply & Tech Fee.

All billing is invoiced to the email address provided by the parent. Because this invoice is recurring on the same day of each the month, August thru May, parents are able to plan their monthly finances accordingly.

To sum it all up:

- ✓ Tuition & the Building Fee of \$25 (if elected as a monthly payment) are billed forward.
- ✓ Morning Care & After-School Care are billed at the end of the month for charges incurred during that particular month.
- ✓ Both of these billings are sent in one invoice to the parent via email on the 3rd of each month.
- ✓ Payment is due by the 10th of each month.

Wayne Montessori Child Care Center (WMCCC)

Our WMCCC is fully state licensed and operates as a *separate entity* for children ages three & four to provide continued child care before and after our morning Montessori program ends. It operates 7am-8:30 am and 12:00pm to 6:00pm for \$75 per week. WMCCC is available during the summer from 7am-6pm. A state licensed Administrator and state licensed teachers are responsible for the care of the children.

Because of state licensing regulations, child care is paid in advance per week. Parents may pay several weeks in advance with the understanding that payment is non-refundable. Parents must complete all state-required paperwork and attend an interview with the Administrator before being able to use the WMCCC.
